

## Sign of the Times - Harry Styles (2017)

Just stop your \_\_\_\_\_

It's a sign of the \_\_\_\_\_

\_\_\_\_\_ to the final show

Hope you're wearing your best \_\_\_\_\_

You can't \_\_\_\_\_ the door on your way to the sky

You look pretty good down here

But you \_\_\_\_\_ really good

**CHORUS:** If we \_\_\_\_\_ learn, we been here before

Why are we always \_\_\_\_\_ and running from

The **bullets?** 2x

We never \_\_\_\_\_, we been here before

Why are we always \_\_\_\_\_ and running from

The bullets? 2x

Just stop your \_\_\_\_\_

It's a sign of the times

We \_\_\_\_\_ get away from here

We gotta get away from here

Just stop your crying

It'll be \_\_\_\_\_

They told me that the \_\_\_\_\_ is near

We gotta get away from here

Just stop your crying

Have the \_\_\_\_\_ of your life

Breaking through the \_\_\_\_\_

And things are \_\_\_\_\_ good from here

\_\_\_\_\_ everything will be alright

We can meet again \_\_\_\_\_

\_\_\_\_\_ far away from here

**CHORUS:** We never learn....

**stuck, times, clothes, ain't, learn, gotta, alright, atmosphere, pretty, somewhere, Somewhere, crying, Welcome, bribe, never, stuck, crying, end, time, Remember**

1. \_\_\_\_\_ a metal projectile for firing from a rifle, revolver, or other small firearm, typically cylindrical and pointed, and sometimes containing an explosive.

📖 Sign of the Times' came from 'This isn't the first time we've been in a hard time, and it's not going to be the last time.' The song is written from a point of view as if a mother was giving birth to a child and there's a complication. The mother is told, 'The child is fine, but you're not going to make it.' The mother has five minutes to tell the child, 'Go forth and **conquer**.

📖 I know this is a little **morbid** but I think this song is about death or something ending. I think in the song he's saying to the person dying stop crying we can meet again somewhere (heaven) and not to worry about dying just enjoy what time you have left. I think this song could also go away for any other situations in life too where things are going bad and he's singing that you should focus on what is happening now and enjoy it even though you may cry, overcome it, just have the time of your life.

📖 It is obvious that the song is about what is going on with the planet as it pertains to Christianity and the second coming of Christ Jesus. The **Illuminati** / **Freemasons** / Satanist's time here on Earth is coming to

an end, but this group seems to have had a good run. They had it pretty good being in charge. Now they are being exposed and also freely exposing themselves. These people had it good but are not good.

📖 I've heard that this is about the Third World War... that makes sense. Personally, I think it's a sign of the times, the **arse** end of the way things are, ready for a whole new wardrobe. I mean, we have Trump, we have Europe falling apart, we have mass chaos.... the Third World War?

📖 In The New York Times, Styles was asked if news events like Brexit and the **tribulations** of Donald Trump made their way into his songwriting. He replied: "We're in a difficult time, and I think we've been in many difficult times before. Most of the stuff that hurts me about what's going on at the moment is not politics, it's **fundamentals** ... **Equal** rights. For everyone, all races, sexes, everything. ... ?
